Dear Admissions Officer,

I am very pleased to have the opportunity to recommend to you Ms [REDACTED] [REDACTED]. [REDACTED] took my A Level philosophy classes at Newcastle-U-Lyme college and proved an exceptionally hard-working and intelligent student. Her performance was distinguished by scholarly qualities and highly developed skills in sustained analysis and argument. The same high standards were evident in her other studies at Newcastle-U-Lyme college, and she secured A grades in all three of her A Level subjects.

As attested by both students and faculty, [REDACTED] has a most pleasant, sensitive, and sincere personality. Her keen interest in classics, philosophy, and the humanities in general, together with her determined and studious nature qualify her for high academic achievement. I was very concerned therefore to hear that [REDACTED] did not find the environment of Lampeter conducive to her work, and I believe that if she were to move to Nottingham she would be able to be herself again and to concentrate fully on her studies. Thus I **strongly recommend** [REDACTED] for admission to study for a BA degree at Nottingham University.

Yours sincerely,

Maria Kasmirli.
